### How to End Your Session

Ask:

1. Please do a “final check.”
2. Is there any other program, contract/agreement, reason, cause, belief, perception, or other? Any other issue or challenge?
3. Anything the soul is not aware of or anything the soul doesn't want to see?
4. Is the soul lying?
5. Anything hidden, buried, or covered up?
6. Can you give me the forever infinite guarantee that everything in this session has been cleared up to the highest level?
7. Please set up a permanent program so that everything we cleared stay clear forever and ever.
8. Any additional healing needed? Any message?
9. What percentage is my client open to the flow of the Greater Good? *(Note: It should be 100%++ otherwise it means there is something left to clear.)*
10. Is my client's level of soul consciousness at the highest level?

#### For new clients:

11. Does my client’s High Self understand that the soul has defined a new blueprint? Is my client’s soul in agreement with the clearing in the healing? And OK to operate according to the new blueprint?
12. Is my client’s body in agreement with the clearing and the healing? And OK to operate according to the new blueprint?
13. Are my client’s High Self and my High Self in agreement with the clearing in the healing? And OK to operate according to the new blueprint?
