

"How to Use Your Pendulum?"

To program your pendulum, lay this sheet of paper flat on a table, hold your pendulum on the top of the circle. Tell that you want a "No" moving from left to right (and vice versa!), and a "Yes" moving up and down, like indicated by the arrows.

Ask: "Give me a 'Yes'", "Give me a 'No'", "Give me a 'Clearing Signal'", "Show me I need to modify the question/rephrase" to check that it is programmed correctly. Enjoy! ☺
