

Accelerate Prosperity Now!

What if YOU could radically release the burden of financial fears and lack of money to embrace Prosperity and Abundance?

It's quite natural to crave prosperity. Some seek to manifest it using various spiritual ways from creating vision boards to chanting mantras... or in business by looking for a different social media trick or thinking you need one more marketing strategy...

But what if it was simpler than this?

Instead of forcing money visualizations and chasing clients, what if you would discover (or remind yourself) that infinite prosperity is always here for you?

And, what if relaxing in this knowingness was ENOUGH to access a soothing feeling of security, safety, abundance, prosperity, and even freedom?

The greater your awareness of the Presence of God/Spirit/Universe WITHIN YOU, the more that Presence fills your consciousness.

The deeper your understanding of God/Spirit/Universe as the Source, Substance and Activity of your supply, the more permanently that Truth will be imprinted in your consciousness.

Your spiritual consciousness — your knowledge of the Presence of God/Spirit/Universe within you as total and complete fulfillment — that interprets itself as every form or experience in your world.

Life doesn't happen to you. You co-create it. You are responsible for it. So, how can you co-create an abundant life with more ease and grace?

The 40-day prosperity plan is a program developed by John Randolph Price and written about in his famous book, *"The Abundance Book."* Its purpose is to help you realize abundant prosperity in your life and business.

In his book John R. Price explains that it is necessary to do this for 40 days so that you deepen your embodiment of these truths. He states that any interruption during the 40 days period would stop the energetic current around abundance that the program activates. (-- This statement was true at John R. Price's time, yet I find it not accurate at this stage of our evolution and expansion in this 21st Century.)

He says that if you choose to do this, you have to do it wholeheartedly, and you will see results that are beyond your wildest dreams---beyond the limiting set point you have unconsciously set for yourself. He recommends that if you miss one day, it is necessary that you begin again from the beginning and until you completed the 40 days without interruption.

I personally do not agree with this strict rule. I have seen some of my clients struggle to complete the 40 days in a row and then feel like failures and this is so counterproductive! Having witnessed this, I decided to offer to soften the rules.

Do your best to complete the 40 days in a row, and if you miss a day, just continue the next day exactly where you left. Do not start over at the beginning. Do not start for another 40-day round.

There are ten principles. So, if you missed day 25 (principle # 5), then on day 26 do

the principle #5 and continue from there. Stop your series when you have gone through the ten principles four times.

My recommended steps are:

1. Determine a specific date from which you will begin this program, for example at the beginning of week. Count 40 days starting from this date on your calendar and surround the date of completion. (Remember my softer rule, if you miss a day.)

2. Write a “Letter to the Universe”:
 - a. In the first paragraph: reflect about all the abundance you already have in your life (abundance of air, rain, sunshine, friends, love, ideas, ...) Go through all aspects of your life (business/career, spirituality, health, recreation, social life, creativity, etc.)

 - b. In the rest of the Letter: write what you desire to accomplish in your life, the prosperity and abundance you want to experience. Write in the present tense and use only positive thoughts. Avoid using negative sentence such as “I am not sick anymore” “I don’t have debts” but rather say “I enjoy optimum health” “I am free of debts”.

 - c. When your Letter is complete, seal it and put it in your Manifesting Box. (Note: in my **Activate Abundance Now!** Program, I recommend that people create a fun Manifesting Box. It simply is a box that you really like. (You can decorate it the way you want.) On top of this box, you have written these words:

Whatever is contained in this Box IS. (This or Better!)

Thank you, God/Spirit/Universe!

You put in this Manifesting Box everything you want to see accomplished. In my Box, I have pictures of countries I want to go explore, and an expensive watch, a specific French purse, a specific seminar I want to attend, and a few other things for my family.

I once had the request for a green card – which I received. Then, I put the flyer explaining how to get US Citizenship from Homeland Security -- I became a US citizen last year.

3. **The first day** of your 40-day program, John R. Price recommends you write the following declaration in your journal:

“This day (insert the date), I cease believing in the visible money as my supply and my support, and I view the material world such as it truly is... simply a representation of my old beliefs.

I believed in the power of the money and therefore surrendered my God-given power and authority to a material belief. I believed in the possibility of lacks, thus causing a separation in my conscience from the Source of my Abundance. I believed in the mortality of man and his carnal conditions; and through this faith gave man and human conditions power over me. I believed in the mortal illusion created by the collective consciousness of error of thoughts and in doing so, I have limited the Unlimited. No more of that!

This day I renounce my so-called human condition and proclaim my Divine inheritance as a Being of God.

This day I recognize God and only God as my substance, my supply and my supports.”

4. There are 10 principles of Abundance. Read one principle per day, and when you get to 10, you begin again. Your goal is to go through these principles four times.
5. Read the principle of the day twice per day (morning and the evening). Meditate on the principle while focusing on the essence of its meaning

with great thoughtfulness and feeling, allowing the idea to penetrate and fill your consciousness.

When you finish your two daily meditations, note in your journal the thoughts that come to you. Be sure to do this each day!

The 10 principles:

1. God is lavish, unfailing Abundance, the rich omnipresent substance of the Universe. This all-providing Source of infinite prosperity is individualized as me — the Reality of me.
2. I lift up my mind and heart to be aware, to understand, and to know that the Divine Presence I AM is the Source and Substance of all my good.
3. I am conscious of the Inner Presence as my lavish Abundance. I am conscious of the constant activity of this Mind of infinite Prosperity. Therefore, my consciousness is filled with the Light of Truth.
4. Through my consciousness of my God-Self, the Christ within, as my Source, I draw into my mind and feeling nature the very substance of Spirit. This substance is my supply, thus my consciousness of the Presence of God within me is my supply.
5. Money is not my supply. No person, place or condition is my supply. My awareness, understanding, and knowledge of the all-providing activity of the Divine Mind within me is my supply. My consciousness of this Truth is unlimited; therefore, my supply is unlimited.
6. My inner supply instantly and constantly takes on form and experience according to my needs and desires, and as the Principle of Supply in action, it is impossible for me to have any unfulfilled needs or desires.
7. The Divine Consciousness that I am is forever expressing its true nature of Abundance. This is its responsibility, not mine. My only responsibility is to be aware of this Truth. Therefore, I am totally confident in letting go and letting God appear as the abundant all sufficiency in my life and affairs.

8. My consciousness of the Spirit within me as my unlimited Source is the Divine Power to restore the years the locusts have eaten, to make all things new, to lift me up to the High Road of abundant prosperity. This awareness, understanding and knowledge of Spirit appears as every visible form and experience that I could possibly desire.

9. When I am aware of the God Self within me as my total fulfillment, I am totally fulfilled. I am now aware of this Truth. I have found the secret of life, and I relax in the knowledge that the Activity of Divine Abundance is eternally operating in my life. I simply have to be aware of the flow, the radiation, of that Creative Energy, which is continuously, easily and effortlessly pouring forth from my Divine Consciousness. I am now aware. I am now in the flow

10. I keep my mind and thoughts off "this world" and I place my entire focus on God within as the only Cause of my prosperity. I acknowledge the Inner Presence as the only activity in my financial affairs, as the substance of all things visible. I place my faith in the Principle of Abundance in action within me.
